

§ 100.02 HARBOR COMMISSION.

(A) The Harbor Commission is hereby created and shall consist of five members. (*'63 Code, § 11-1.101*)

(B) The Harbor Commission shall have the following powers and duties:

(1) To conduct studies and make recommendations and reports to the City Manager, the Mayor, and the Council as the official city advisory body concerned with all aspects of Humboldt Bay. Areas of concern shall be:

(a) Overall bay and harbor improvements to better accommodate ocean shipping and docking and commercial and pleasure craft;

(b) Development of land uses of lands contiguous to Humboldt Bay which will coordinate with and enhance the aquatic uses of Humboldt Bay; and,

(c) Development or redevelopment of small craft harbor facilities for both commercial and pleasure craft;

(2) To determine those projects and activities, and their financing and means which will best suit the sensible growth, improvement, or alteration of Humboldt Bay;

(3) To actively identify itself with and work in cooperation with any and all other duly constituted governmental or civic bodies conducting planning studies, surveys, or projects relating to the use or development of Humboldt Bay and contiguous land areas; and,

(4) To actively promote public relations between the city and users of Humboldt Bay.
